

AtopTV – Customer set up Instructions

Step 1 – Connect your AppleTV 4 or higher to your TV and connect to your Netfox Internet. Once this is completed it will update the software and restart.

Step 2 – Log into your iCloud Account or create an iCloud account.

Step 3 – Within the iTunes Store search and download **ATOPTV**

Step 4 – Netflix will create your ATOP account and you will then receive an email of your subscription (you may have to check your junk mail). At that point enter **lost password**.

Step 5 – Create your own password.

Step 6 – You can now click into the ATOPTV app on their AppleTV device and enter the username (email address) and Password (the one you just reset)

Step 7 – Your service should now be live!

Handy Tips – Inside the ATOPTV app for a better experience

1. Menu – Settings – Auto Tune – Auto Tune Off
2. Menu – Settings – Inactivity Timeout – 4 hours

Handy Tips – Inside the ROKU Settings.

1. Settings – System – Time – Select correct time Zone
2. Settings – Screen Saver – Wait Time – Disable screensaver
